

## House Resolution No. 2688

**Whereas**, the members of the Missouri House of Representatives feel it is altogether fitting and proper to pause from time to time to recognize individuals and organizations that have contributed to the welfare of this great state and its citizens; and

**Whereas**, we now pause to recognize William H. Borner, a St. Louis County Police Officer who serves an area that includes the Mehlville School District and SCOPE/SSLCMS School; and

**Whereas**, William Borner is a graduate from Southeast Missouri State University and is a member of the Crisis Intervention Team with the St. Louis County Police Department; and

**Whereas**, William Borner is the proud recipient of five awards of excellence since joining the St. Louis County Police Department and of eight awards while he served the St. Louis County Corrections Department; and

**Whereas**, SCOPE/SSLCMS is an alternative computerized program that serves students who have been suspended 15-180 days, expelled, students who are not meeting success in their regular educational program, students who are deficient of credit, or students who have met the requirements for the GED Option program; and

**Whereas**, the SCOPE/SSLCMS students are taught by content area certified teachers with hands on activities to supplement materials that are presented to them via the computer, and there are three Special Education Teachers to address students who are receiving services through an IEP or a 504 plan; and

**Whereas**, if the students are successful in completing the program, they will ultimately receive their diploma and become a productive member of society; and

**Whereas**, William Borner is the beloved husband of Esther M. Borner and the devoted father of William H. Borner III and Anna Maria Borner:

**Now, therefore, be it resolved** that we, the members of the Missouri House of Representatives, Ninety-fourth General Assembly, join to extend out gratitude to William Borner for the hard work he does every day so conscientiously and for the service and safety he provides to his community, which has not gone unnoticed; and

**Be it further resolved** that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution for Police Officer William H. Borner.
